Neighborhood Center After-School Program

Open to City residents, this program serves children ages 6 to 17. Participants enjoy movies, concerts, arts/crafts and wellness programs. Free tutoring and homework help is available at all neighborhood centers for Lynchburg City School students. Tutors from Liberty University assist students in grades K-12 with math, reading, and other school work. Assistance is also available for GED students. Neighborhood Computer Centers are located at each center. Snacks are provided by Kids Cafe, a program of the Blue Ridge and Lynchburg Area Food Banks and America's Second Harvest. All participants must register to attend this free after-school center program. Be sure to register your children at the neighborhood center of your choice.
